

Setter Accounts Guide

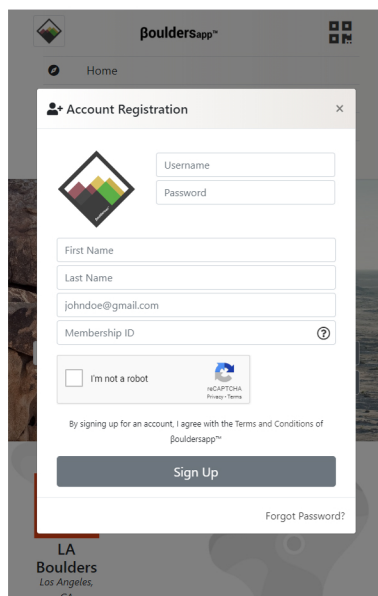

This guide explains how to create a setter account and manage it.

To get started, go to main.betabouldersapp.com on the desktop or open the app on your phone.

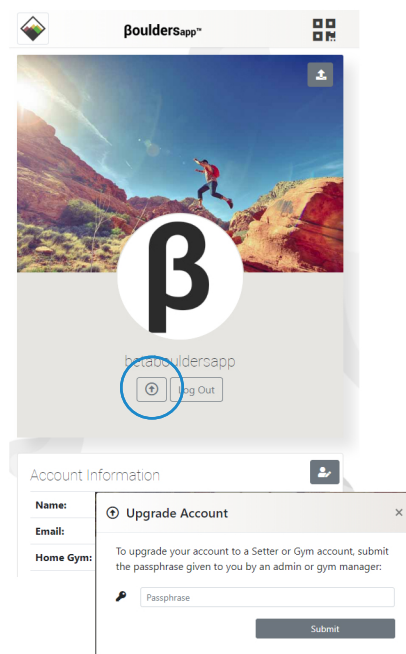

Est. time: 5 mins

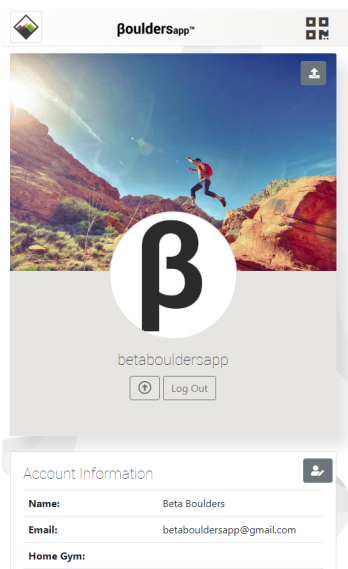

1 Click the menu and create account option.

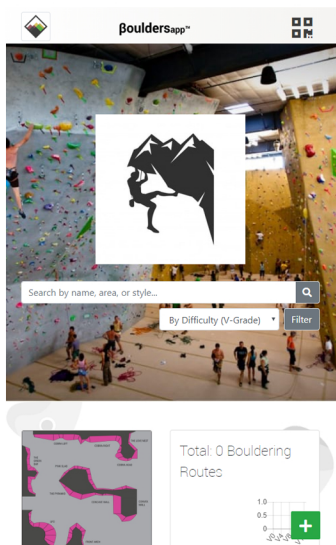

2 Fill out your information and click sign up.

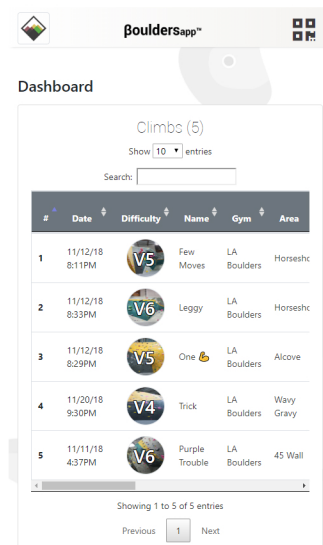

3 On your user page, click on the arrow icon to upgrade your account. Enter the appropriate password and submit.

4 Before you can create a route at a gym, your gym must add you as their setter. Let them know to add you.

5 Once added, you can navigate to their gym page and the green plus icon will appear. Click that to create a route.

6 You can also go to the dashboard from the menu to see all your climbs and their stats (rating, scans, ticks, etc.)
