

Gym Accounts Guide

This guide explains how to create a gym account and use all the features awarded to it.
To get started, go to main.betabouldersapp.com on the desktop or open the app on your phone.

Est. time: 10 mins

1 Click the menu and create account option.

2 Fill out your information and click sign up.

3 On your user page, click the arrow button to upgrade your account. Enter the appropriate passcode and submit.

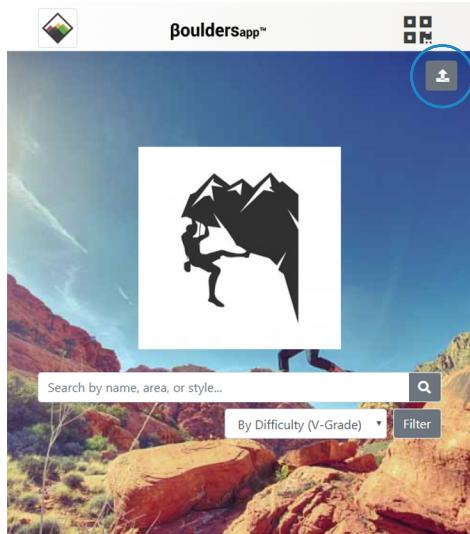

4 Customize! Add profile picture and cover photo.

5 Fill out your gym's information.

6 Print pre-generated area tags.

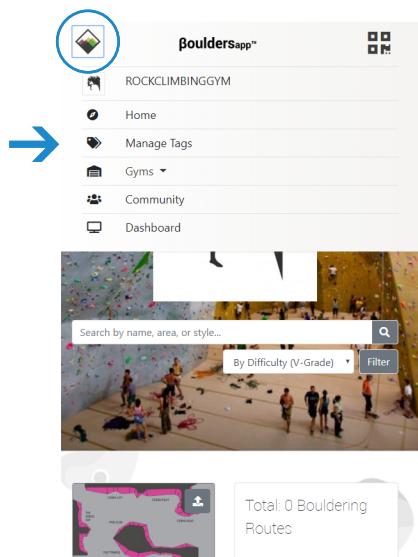

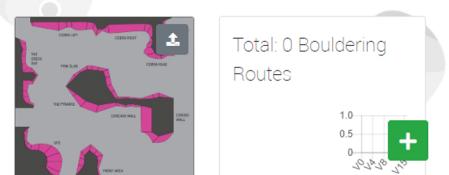

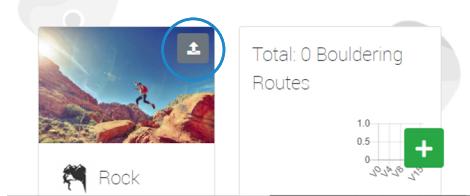

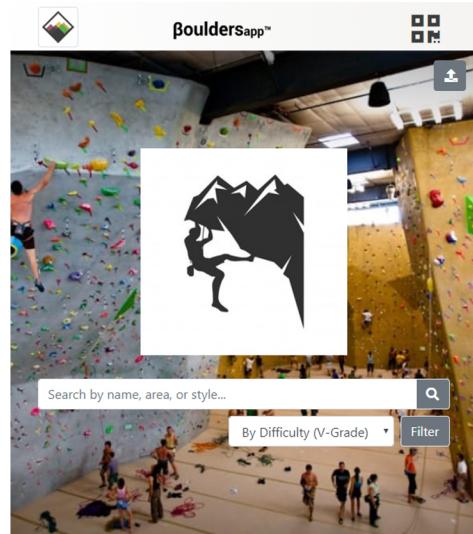

7 Add setters from a dropdown. Your setters need to have accounts to be added to your gym.

Gym Accounts Guide

8

Navigate to your gym's page and customize the banner and upload another image (preferably a gym map)

9

To manage your tags, navigate to your reusable tags in the menu.

Reusable βTags™ (3)

Here you can see what climbs are attached to your tags. You have the option reassign new climbs to them by clicking the paper clip icon.

NOTE: You must create a climb first before reassigning a tag to it.
